

## REMARKS

### Claims

Claims 1-34 are presented in the literal translation. The original claim content is now amended to put the claims into more conventional US claiming form and to remove multiple dependencies. Accordingly claims 1-18 and claims 20-34 have been amended, and claim 19 has been canceled. No new matter is introduced by this amendment.

### Specification

No new matter is introduced by the introduction of headings into the literal translation.

With these amendments, the case is believed to be in order for allowance and such allowance is earnestly requested.

Prompt consideration of this application and allowance of the claims are requested. If the Examiner should have any question regarding this application or the amendment, a call to Applicant's attorney would be appreciated.

Respectfully submitted,
